2023-24

Broughton Primary School

&

Broughton Early Years Provision

INTRODUCTION - School Improvement Planning 2023/24

This document outlines our identified priorities for Session 2023/24, which will bring about continuous improvement of outcomes for our learners. It is based on rigorous self-evaluation of our provision, including the impact of development work carried out during 2022/23. For more information on our performance, see our School Improvement Report 2022/23.

Self-Evaluation Summary

Identification of strengths and aspects for improvement involves knowing the impact of our work on learners.
Learners are at the heart of effective self-evaluation'

Strengths 2022-23
<ul style="list-style-type: none">- All teachers use the outdoor environment creatively to plan rich learning and teaching experiences to support all children in their learning. Our outdoor area, including our shared community garden and polytunnel to support our Grow Project, providing rich learning experiences for all children.- The school's inclusive ethos, culture and practice instils motivation and desire for all children to learn.- Tracking and monitoring effectively used to inform the planning of interventions to secure improved outcomes for all children.- Staff work collaboratively with a strong sense of togetherness working effectively as a team, sharing practice as well as providing mutual peer support in order to deliver high quality learning and teaching for all children.

ELC Strengths 2022-23

- Professional learning and collaboration with the SBC Early Years Teaching Team has positively impacted understanding and practice to enhance and track learning opportunities and development of our provision.
- Family engagement has grown, incorporating regular sessions for parent to engage in the learning experience and offer their skills and interests to the setting.
- Strong nurture at the heart of the setting, fostering positive and robust relationships between staff, children and families.
- The easy access to outdoor area enables all our children use the outdoor environment creatively to plan rich learning and teaching experiences to support all children in their learning. Our outdoor area, including our shared community garden and polytunnel to support our Grow Project, providing rich learning experiences for all children.
